

Engaging Physicians and Care Teams to

Prevent and Manage Diabetes

Wednesday, November 8
3:00 - 4:30 PM ET

According to the [Centers for Disease Control and Prevention's 2017 National Diabetes Statistics Report](#), 48.3% of adults aged 65 years or older have prediabetes and only 14% of adults in this age group are aware of their diagnosis. Without diagnosis and intervention, many of these people will unnecessarily develop type 2 diabetes, which places undue burden on individuals, providers, and the health system. Among adults with diabetes, diabetes self-management education and support (DSMES) remains largely underutilized. Join us as speakers discuss the American Medical Association's (AMA) strategies and services for helping primary care and health systems implement prediabetes identification and referral processes for effective intervention. Participants will also learn the four critical times primary care should refer for DSMES. Please reference the [Joint Position Statement](#) from the American Diabetes Association, the American Association of Diabetes Educators, and the Academy of Nutrition and Dietetics for more information.

Audience:

This event is open to beneficiaries, families, healthcare providers, practitioners, partners, and Quality Innovation Network-Quality Improvement Organizations.

Registration is Required!

National Learning & Action Network Event: Engaging Physicians and Care Teams to Prevent and Manage Diabetes

Learning Objectives:

- Articulate the American Medical Association's (AMA) strategy to prevent type 2 diabetes by working directly with physicians and care teams to identify patients with prediabetes and referring patients to a diabetes prevention program.
- Identify the services and resources available through the AMA to implement a screening, testing, and referral process in healthcare organizations.
- Highlight key considerations relevant to upcoming coverage through Medicare for eligible beneficiaries who participate in a diabetes prevention program.
- Describe the four critical times to assess, provide, adjust, and refer for self-management education and support.
- List three tools available to support the dissemination of the recommendations stated in the Joint Position Statement.

Outcome Statement:

The purpose of this session is to prepare healthcare quality improvement professionals to identify and implement effective healthcare strategies by exploring promising practices to engage physicians and care teams and prevent and manage diabetes.

We expect that this experience will help participants demonstrate and promote successful delivery of care practices and identify opportunities for improvement, all of which may promote advances in care that impact the Medicare beneficiaries served by the work of the QIO Program.

Method of Participation:

You must participate in the entire activity to receive credit. A statement of credit will be available upon completion of an online evaluation/claimed credit form. The link to the online evaluation will be provided after completion of the activity. If you have questions about this CME/CE activity, please contact AKH Inc. at service@akhcme.com.

 CME/CE Credit Provided by AKH Inc., Advancing Knowledge in Healthcare

Physicians

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of AKH Inc., Advancing Knowledge in Healthcare, CRW & Associates and Telligen. AKH Inc., Advancing Knowledge in Healthcare is accredited by the ACCME to provide continuing medical education for physicians.

AKH Inc., Advancing Knowledge in Healthcare designates this live activity for a maximum of 1.5 AMA PRA Category 1 Credit(s)™.

Physician Assistants

NCCPA accepts AMA PRA Category 1 Credit™ from organizations accredited by ACCME.

Pharmacy

 AKH Inc., Advancing Knowledge in Healthcare is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

AKH Inc., Advancing Knowledge in Healthcare approves this knowledge-based activity for 1.5 contact hours (0.15 CEUs). UAN 0077-9999-17-037-L04-P; UAN 0077-9999-17-037-L04-T. Initial Release Date: 11/8/2017

Nursing

AKH Inc., Advancing Knowledge in Healthcare is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

This activity is awarded 1.5 contact hour.

Nurse Practitioners

This activity has been planned and implemented in accordance with the accreditation Standards of the American Association of Nurse Practitioners (AANP) through the joint providership of AKH Inc., Advancing Knowledge in Healthcare, CRW & Associates and Telligen.

AKH Inc., Advancing Knowledge in Healthcare is accredited by the American Association of Nurse Practitioners as an approved provider of nurse practitioner continuing education. Provider number: 030803

This activity is accredited for 1.5 contact hour(s) which includes 0 hour(s) of pharmacology. Activity ID # 21718-8.
