

We Care and We Are Prepared

Members of our staff have successfully completed the Centers for Medicare & Medicaid Services (CMS) **Targeted COVID-19 Training for Frontline Nursing Home Staff and Management.**

Our team has gained knowledge around ways to protect, provide care and prevent the spread of COVID-19, including:

- How to prevent the spread of infection through hand hygiene, personal protective equipment and cleaning
- Appropriate screening, surveillance and practices for grouping individuals (i.e., cohorting)
- How to care for residents with dementia during a pandemic
- Preparing and implementing a vaccine delivery system
- Emergency preparedness practices for handling surge capacity
- Ways to promote the emotional health of staff members and residents
- Implementing telehealth services in nursing homes
