

Innovations in Opioid Use Disorder (OUD) Care Learning Series

Learn about new and promising innovations in caring for people with OUD featuring subject matter experts and people with lived experience.

Join Comagine Health for **Innovations in OUD Care**, a learning series focusing on new and promising innovations in caring for people with opioid use disorder (OUD) featuring subject matter experts and people with lived experience. Participants will learn how to adopt these models and improve care in their communities. There is no cost to participate.

This series is for anyone working with people experiencing opioid use disorder including State Departments of Health, county-based public health and harm reduction professionals, primary care providers, behavioral health and SUDP providers and MOUD treatment providers.

Topics Include

- OUD Recovery and Treatment in Rural Communities
- OUD and Pain Management Best Practices
- Doula Role in Perinatal OUD Care
- Treating OUD in Correctional Facilities
- Pharmacy Integration in OUD Care
- MOUD Telehealth Treatment and Community Integration
- Feb. 14, 2024

Schedule

- Sep. 13, 2023
- Oct. 11, 2023
- Nov. 8, 2023
- Dec. 13, 2023
- Jan. 10, 2024
- Feb. 14, 2024
