You deserve recognition for your accomplishments in health equity! Celebrating accomplishments can help to motivate teams, sustain progress, and spur others into action if you communicate in an accurate, sensitive, and impactful way. In this event, experts in communications and health equity will offer strategies for sharing success stories, including communications advice specific to disparities and health equity. Come prepared to brag about your successes and learn how to best present them!

LEARNING OBJECTIVES:

Following this event, attendees will be able to:

- Identify successes worth sharing
- Describe at least two general strategies for effective communication about successes, and
- Discuss additional strategies for communication about health equity successes.

This event is open to beneficiaries, families, healthcare providers, practitioners, partners, and Quality Innovation Network-Quality Improvement Organizations.
