

CME Credit and the AMA Education Center

Thank you for attending the **SL2 webinar: Team-based care in the real world**. We hope you found the presentation informative.

Instructions to receive your *AMA PRA Category 1 Credit*™ can be found below.

If you already have a registered AMA username and password, [Click here](#) for the instructions to complete the activity evaluation and claim credit on the AMA EdHub.

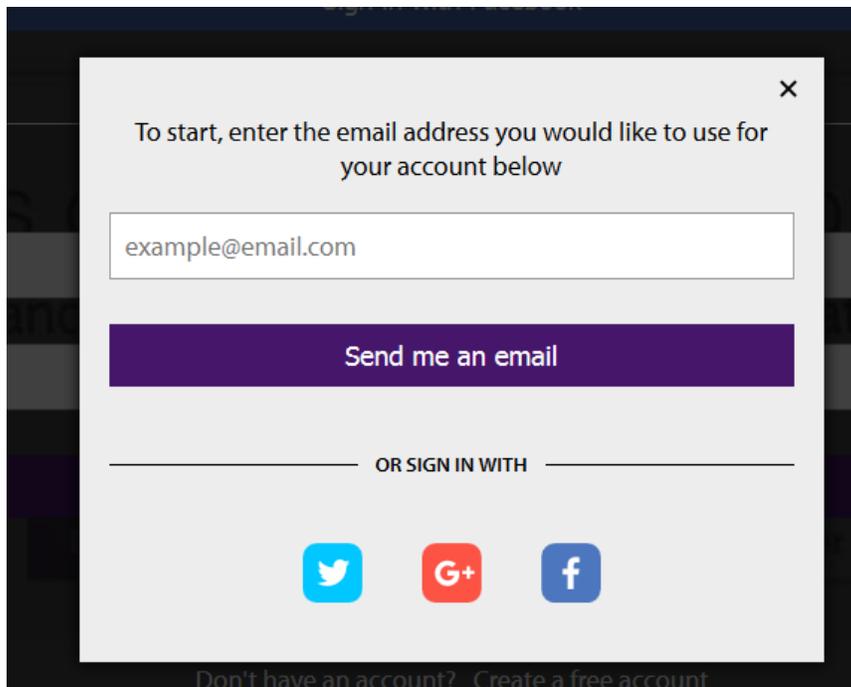

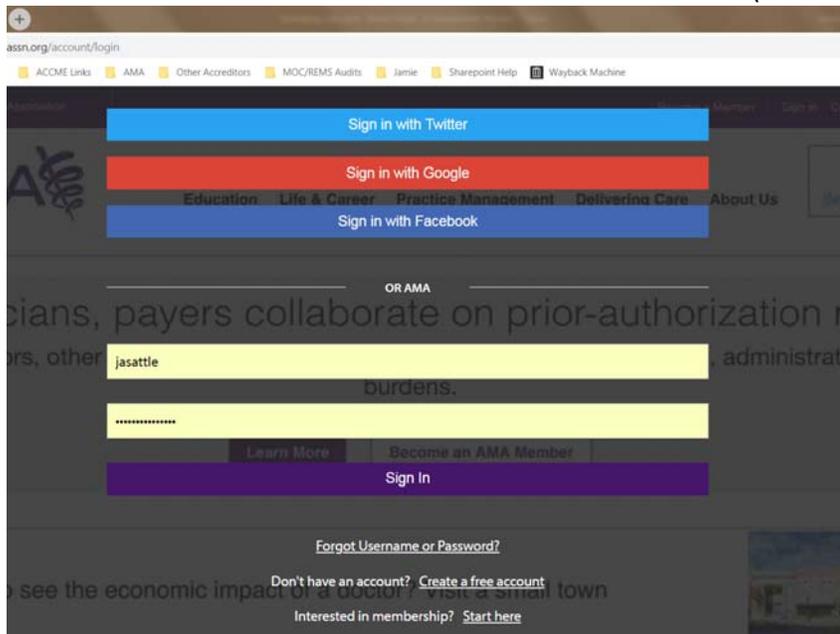

Note: If you have not registered your email with the AMA before, you will need to first create an account before claiming credit.

Follow these instructions to create an account before completing the activity evaluation and claiming credit on the AMA EdHub:

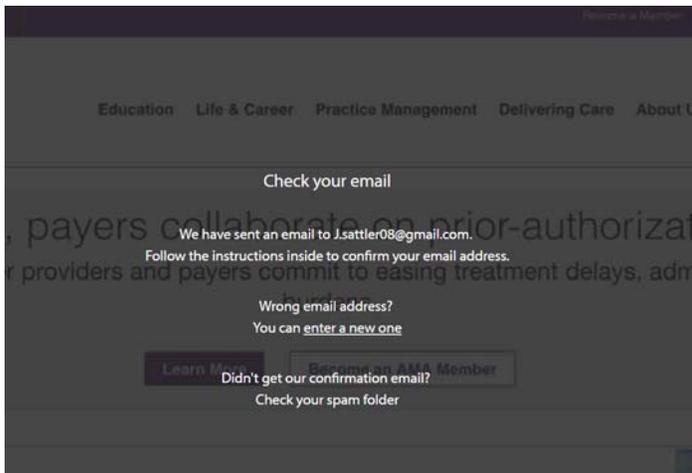

1. Click on the following link or copy and paste it into your browser to be directed to the activity in the AMA EdHub: <https://cme.ama-assn.org/Activity/6636316/Detail.aspx>
2. Click the “Sign-in” in upper right to “Create an account” link located on the upper right side of the screen

The screenshot shows the AMA EdHub interface. At the top, there is a dark blue header with the AMA EdHub logo and a 'Sign In' link. The main content area is white and features a purple 'Register' button in the top right corner. Below the button, it says 'FREE Activity Price' and '0 Registered Users'. A red arrow points from the 'Register' button to the 'FREE Activity Price' text. On the right side, there is a 'Credits' section showing '0 Credits > AMA > Certificate of Participation for Non-Physicians'. The main content area displays the activity title 'SL2 Webinar: Team-based Care in the Real World, January 16, 2019' and a description: 'The team-based care delivery models offer opportunities to improve quality of care and outcomes for patients, providers, and communities. As part of the Quality Payment Program (QPP), Alternative Payment Models (APMs) have been catalysts in fostering the use of team-based care. Learn more about team-based care from the American Medical Association (AMA) and hear real world implementation strategies from Telligen QIN and a physician office (or patient)'. Below the description is an 'Activity Information' section with details: 'SL2: Team-based Care in the Real World', 'Release Date: January 16, 2019 2:00 pm to 3:30 CT via Webinar', and 'Participants can claim credit until February 20, 2019'. A red text block provides instructions: 'After registering for the activity, you must: 1) enter an access code to unlock the activity; 2) scroll to the bottom of the page and click continue to advance to the next tab, and 3) complete the evaluation to receive your certificate.' Below this is an 'Objectives' section: 'Upon completion of this educational activity, you will be able to: 1. Identify how to implement team-based care in a practice setting. 2. Describe the benefits of implementing team-based care.' At the bottom, it says 'Type: Live Activity'.

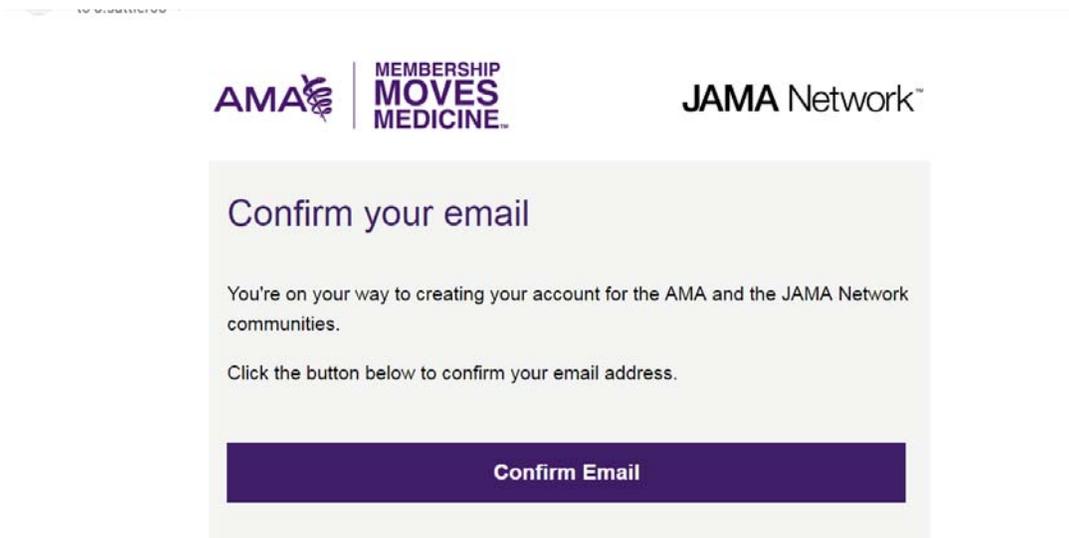

3. Click "Don't have an account? Create a free account" link (see below)

4. The next screen will show:

5. Please check your email and confirm your email address. *Note: You will need to do this before claiming your CME credit.* An example of the email is below:

6. Click on the “confirm email” button within the email. The link will take you through the following pages: **Complete your profile, State/DOB** and **Specialty**

The screenshot shows a registration form titled "Complete your profile". The form includes the following fields: "First Name", "Last Name", "Country" (a dropdown menu), "Profession" (a dropdown menu), "Username", "Password", and "Password Confirmation". A link labeled "Why do we ask for this information?" is positioned below the "Profession" dropdown. A purple "Continue" button is located at the bottom of the form.

The screenshot shows a registration page titled "Almost done...". It features a navigation menu at the top with the following items: "Education", "Life & Career", "Practice Management", "Delivering Care", and "About Us". The main content area contains two dropdown menus: "Specialty" and "Administration". A link labeled "Why do we ask for this information?" is located below the "Administration" dropdown. A purple "Complete Registration" button is positioned at the bottom of the form.

7. “Complete your registration”

8. Upon completing your registration, navigate back to the [activity on the AMA EdHub](#).

The screenshot shows the AMA EdHub interface for a webinar. At the top, the AMA Ed Hub logo is visible. The main content area is titled "SL2 Webinar: Team-based Care in the Real World, January 16, 2019". Below the title, there is a paragraph describing the webinar's focus on team-based care delivery models. To the right of the main content, there is a "Register" button, a "FREE Activity Price" label, and a "0 Registered Users" indicator. Below the registration information, there is a "Credits" section showing "1.5 Credits - AMA - AMA 2020 Category 1 Credit™" and "0 Credits - AMA - Certificate of Participation for Non-Physicians". The main content area is divided into sections: "Activity Information" (including release date and claim deadline), "Objectives" (listing two learning objectives), and "Type: Live Activity". A red text box contains instructions for unlocking the activity and claiming credit.

9. Unlock the activity by entering the following access code **2222** where prompted and click the “Submit” button. This access code is valid through **February 27, 2019**. If you are interested in claiming credit or a certificate of participation for this activity, you must do so before **February 27, 2019**.
10. Scroll to the bottom of the “Overview” tab. Then click on “Continue” to advance to the next tab.
11. Click on the “Launch” button in the “Evaluation” tab. Complete the evaluation in order to proceed to your certificate. Click on the “Submit” button at the bottom of the Evaluation when completed.
12. Upon completing the evaluation, click “Continue” to advance to the “Certificate” tab.
13. You should now see a hyperlink under “Credit Type” which you will be able to view, save and/or download your certificate. Adobe Acrobat Reader is required to access your certificate.

If you have any **questions**, please contact us at **(800) 621-8335** or educationcenter@ama-assn.org

Note: Your certificate will remain stored in your transcript in the AMA EdHub

If you already have a registered AMA username and password, follow these instructions to complete the activity evaluation and claim credit on the AMA EdHub:

Note: You can reset your username or password on the sign-in screen

1. Click on the following link or copy and paste it into your browser to be directed to the AMA Education Center: <https://cme.ama-assn.org/Activity/6636316/Detail.aspx>
2. Click the “Register” button located on the right of the screen.
3. Enter your AMA username and password or create an account.
4. Unlock the activity by entering the following access code **2222** where prompted and click the “Submit” button. This access code is valid through **February 27, 2019**. If you are interested in claiming credit or a certificate of participation for this activity, you must do so before **February 27, 2019**.
5. Scroll to the bottom of the “Overview” tab. Then click on “Continue” to advance to the next tab.
6. Click on the “Launch” button in the “Evaluation” tab. Complete the evaluation in order to proceed to your certificate. Click on the “Submit” button at the bottom of the Evaluation when completed.
7. Upon completing the evaluation, click “Continue” to advance to the “Certificate” tab.
8. You should now see a hyperlink under “Credit Type” which you will be able to view, save and/or download your certificate. Adobe Acrobat Reader is required to access your certificate.

If you have any questions, please contact us at (800) 621-8335 or educationcenter@ama-assn.org

Note: Your certificate will remain stored in your transcript in the AMA EdHub
