

QIN-QIO Public Sharing Call

TEAM-BASED CARE IN THE REAL WORLD

Wednesday, January 16, 2019

3:00-4:30 PM ET

The team-based care delivery models offer opportunities to improve quality of care and outcomes for patients, providers, and communities. As part of the Quality Payment Program (QPP), Alternative Payment Models (APMs) have been catalysts in fostering the use of team-based care. Learn more about team-based care from the American Medical Association (AMA) and hear real world implementation strategies from the Telligen QIN and providers from a physician office.

LEARNING OBJECTIVES:

- Understand how to implement team-based care in a facility
- Describe the benefits of implementing team-based care
- Understand how Alternative Payment Models (APMs) support the use of team-based care

This event is open to beneficiaries, families, health care providers, practitioners, partners, and Quality Innovation Network-Quality Improvement Organizations.

To learn more, visit the event website [here](#).
