

Celebrating Impact, Focusing on Collaboration, & Looking Ahead

Wednesday, July 10, 2019 | 3:00 - 4:30 PM ET

The final 11th Scope of Work (SOW) National Learning & Action Network (LAN) Event, titled “Celebrating Impact, Focusing on Collaboration, & Looking Ahead,” will highlight significant outcomes, outstanding innovations, and sustainability efforts that will carry on after this SOW. Join us as we

celebrate the QIO Program and QIN-QIO accomplishments across tasks and healthcare providers. This final National LAN Event will feature CMS Leadership, QIN-QIOs, and a Patient Advisor and is intended to provide an opportunity for reflection and recognition of the progress made over the last five years.

LEARNING OBJECTIVES:

- Recognize successes and lessons learned from the CMS 11th SOW QIO Program and how participants contributed to the overall progress.
- Discuss data-driven and person-centered successes focused on innovative strategies across QIN-QIO task areas.
- Identify sustainability strategies and interventions being applied across states and regions to take local action.

This event is open to patients, families, healthcare providers, practitioners, partners, and Quality Innovation Network-Quality Improvement Organizations. Please spread the word and invite your networks!

Visit the [QIO Program website](#) for more information.
